

Mes stratégies pour comprendre

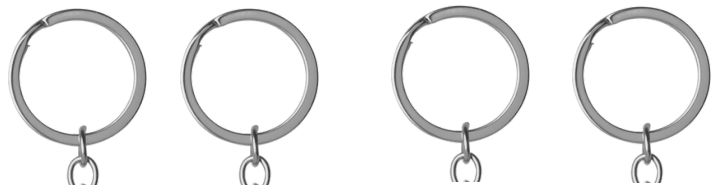

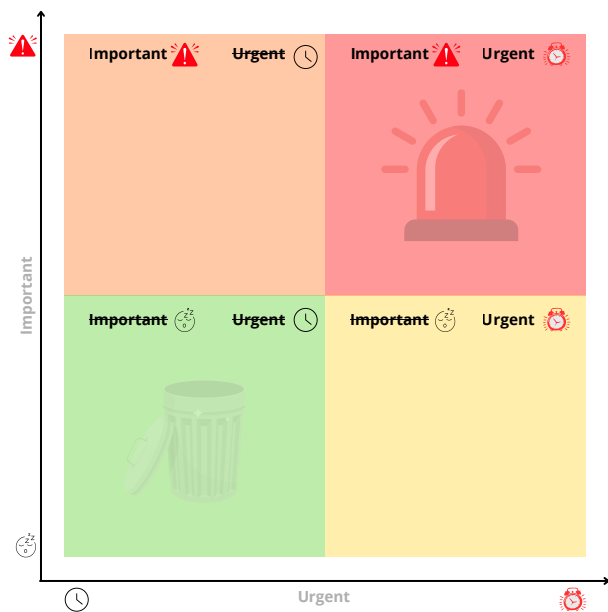

LE DOUTE ORTHOGRAPHIQUE

Quels sont les mots que j'ai écrits
qui **pourraient** contenir une ou
plusieurs erreurs d'orthographe ?

- 1 Dans mon mot, y a-t-il un ou plusieurs **sons** qui
peuvent s'écrire d'**une autre façon** ?
Si **oui**, alors le mot pourrait contenir une erreur.
- 2 Dans mon mot, ai-je écrit une **lettre muette** ?
Au début ? Au milieu ? À la fin ?
Si **oui**, alors le mot pourrait contenir une erreur.
- 3 Dans mon mot, ai-je écrit une **double consonne** ?
Ou est-ce qu'il pourrait en contenir une ?
Si **oui**, alors le mot pourrait contenir une erreur.
- 4 Est-ce que mon mot possède un
ou plusieurs **homophones** ?
Si **oui**, alors le mot pourrait contenir une erreur.
